RESOLUTION 9-2011

RESOLUTION APPROVING AND ACCEPTING PROPOSAL OF MILLINGTON COMMUNITY & COURT SERVICES, INC. FOR DONATION AND MAINTENANCE OF PUBLIC TRASH RECEPTACLES IN OLD TOWN

WHEREAS, Millington Community & Court Services (MCCS), a non-for profit organization that is exempt from federal income taxes under Section 501 (c)(3) of the Internal Revenue Code has submitted the proposal attached to this Resolution as Exhibit A for donation of five DuMor Model 84 trash receptacles to the City and maintenance of such receptacles by MCCS; and

WHEREAS, the Board of Mayor and Aldermen desires to accept said proposal;

NOW, THEREFORE, BE IT RESOLVED by the Board of Mayor and Aldermen of the City of Millington, Tennessee, that the proposal of MCCS attached to this Resolution as Exhibit A, including the provisions set out on the second page of said proposal, be, and the same hereby is, approved and accepted.

This Resolution is adopted as of the 7th day of March, 2011.

Richard L. Hodges, Mayor

Bruce Rasmussen, City Clerk

Millington Community & Court Services, Inc.

City of Millington
Division of Planning and Economic Development
Nelson Street
Millington, TN 38053

Dear Darek,

Millington Community & Court Services (MCCS) is a 501 (c) (3) whose mission is to enhance public safety and create a sustainable community by providing judicially supervised drug treatment and innovative-intense case management to offenders with the goal of returning drug and alcohol free, law-abiding citizens to our community and thereby closing the "revolving door" of the criminal justice system.

In January 2009 MCCS clients defined the need for revitalization in Old Town Millington. Our research concludes there are no public trash receptacles in Old Town and we wish to donate $3080 in restricted funds to the City of Millington for the sole purpose of purchasing five (5) DuMor Model 84 trash receptacles to be placed on public property in Old Town, which will contribute to the Old Town revitalization effort. MCCS services include, but are not limited to organized community service projects utilizing program participant resources.

MCCS desires to partner with the City of Millington and maintain the receptacles under the following terms:

1. The City of Millington accepts $3,080.00 to purchase (5) DuMor Model 84 receptacles before March 10, 2011.
2. The City of Millington will receive the shipment of (5) DuMor Model 84 trash receptacles
3. The City of Millington will install (5) DuMor Model 84 trash receptacles on public property in Old Town Millington before September 1, 2011
4. The City of Millington will provide a central trash collection bin (dumpster) in Old Town for waste collected from the (5) DuMor Model 84 trash receptacles
5. The City of Millington will provide disposable waste collection replacement bags for MCCS clients to use in the (5) DuMor Model 84 trash receptacles

If the City desires their city services to maintain the trash receptacles the terms are:

1. The City of Millington accepts $3,080.00 to purchase (5) DuMor Model 84 receptacles before March 10, 2011.
2. The City of Millington will receive the shipment of (5) DuMor Model 84 trash receptacles
3. The City of Millington will install (5) DuMor Model 84 trash receptacles on public property in Old Town Millington before September 1, 2011
4. The City of Millington will maintain the trash receptacles

Millington Community and Court Services wishes to donate the following:

$3,080.00 in restricted funds to purchase:

(5) DuMor Model 84 Trash receptacles with a seven-year warranty, installation anchors and durable refuse collection tubs for public property in Old Town in the City of Millington.

Funds must be used to purchase the trash receptacles by March 10, 2011.

Sincerely,

Denise Sigler, Executive Director MCCS

Mamie Shannon, Strengthening Communities Grant Administrator
3-4-2011

If at any time after the trash receptacles are installed either the City or MCCS determines that it would be appropriate for City employees to maintain the trash receptacles donated by MCCS, MCCS or the City shall notify the other in writing, and after the date stated in the notice, the City shall be responsible for such maintainence.
