

Recommendation on Baseball & Softball Uniform Bid

Bids were received from one (1) vendor on March 26, 2012.

- Mid-South Solutions

Bid information was also sent to Atomic Graphics, Tri-Attitudes, and Bluff City Sports. After speaking with each of these, they chose not to submit a bid because they were not able to lower their prices enough to be competitive with the price that we purchased them for last year.

We recommend awarding the bid to Mid-South Solutions.

The uniforms shirts are exactly the same price as last year for adult shirts, cheaper for oversize shirts, and three cents more expensive for youth shirts. The hats, pants, and belts increases range from \$0.15 to \$0.35 over last year's pricing. Average per piece pricing is the second lowest in the last 6 years.

As we are still obtaining sizing and registrations from the last few players, we are asking for a \$750 cushion on the award. We ask to award the bid to Mid-South Solutions, so as not to exceed \$7,350.
