

Area A-1

BEGINNING at the point of intersection of the south line of Shelby Road and the east line of Epperson Mill Road; thence east along the south line of Shelby Road approximately 936 feet to property corner; thence south along a property line approximately 297 feet to a property corner; thence west along property lines approximately 930 feet to a property corner also being in the east line of Epperson Mill Road; thence north along the east line of Epperson Mill Road approximately 462 feet to the point of BEGINNING. This area contains approximately 8.0 acres.

Area A-2

BEGINNING at the point of intersection of the south line of Cuba Millington Road and the east line of Quito Road; thence north across Cuba Millington Road and along the east line of Quito Road approximately 1,694 feet to a property corner; thence east along a property line approximately 839 feet to a property corner; thence north along a property line approximately 727 feet to a property corner; thence east along a property line approximately 1,212 feet to a property corner; thence north along a property line approximately 2,503 feet to a point in the south line of West Union Road; thence east along the south line of West Union Road approximately 524 feet to a point; thence north across West Union Road and along a property line approximately 1,567 feet to a property corner; thence west along a property line approximately 42' to a property corner; thence northwest curving to north along the centerline of the Royster Creek Drainage Canal, also property lines, approximately 8,702 feet to a property corner, said point also being in the boundary between Shelby and Tipton Counties; thence along property lines and the Shelby and Tipton County boundary approximately 15,593 feet to a point in the west line of Evander Road; thence south along the west line of Evander Road and across Walker Road approximately 2,488 feet to a point in the south line of Walker Road; thence west along the south line of Walker Road approximately 3,868 feet to a property corner; thence south along a property line approximately 1,284 feet to a property corner; thence east along a property line approximately 1,483 feet to a property corner; thence south along a property line approximately 1,906 feet to a property corner; thence west along a property line approximately 494 feet to a property corner; thence southwest along a property line approximately 1,927 feet to a property corner; thence west along a property line approximately 1,005 feet to a property corner; thence southwest along a property line approximately 2,231 feet to a property corner; thence south along a property line approximately 1,745 feet to a property corner; thence west along a property line approximately 3,218 feet to a point in the east line of Greenhill Road; thence north along the east line of Greenhill Road approximately 133' to a point; thence west across Greenhill Road and along the north line of Wells Road approximately 557' to a point in the west line of Wells Road; thence north along the west line of Wells Road approximately 75' to a point; thence west along a property line approximately 323 feet to a property corner; thence south along property lines and across West Union Road approximately 2,047 feet to a point in the south line of West Union Road; thence west along the south line of West Union Road approximately 414 feet to a property corner; thence south along property lines approximately 2,569 feet to a property corner; thence east along a property line approximately 1,352 feet to a property corner; thence southwest along property lines and across Cuba Millington Road approximately 2,628 feet to a point in the south line of Cuba Millington Road; thence west along the south line of Cuba Millington Road approximately 4,583 feet to the point of BEGINNING. This area contains approximately 2,985.42 acres.

Area A-3

BEGINNING at a point in the north line of Navy Road, said point being approximately 541 feet east of the point of intersection of the north line of Navy Road and the east line of Bethuel Road; thence north along a property line approximately 1,335 feet to a property corner; thence east along a property line approximately 497' to a property corner; thence north along a property line approximately 852 feet to a property corner; thence west along a property line and across Bethuel Road approximately 1,185 feet to a point in the west line of Bethuel Road; thence north along the west line of Bethuel Road approximately 5,616 feet to a point; thence east across Bethuel Road and along property lines approximately 1,584 feet to a property corner; thence north along property lines approximately 2,845 feet to a point in the south line of Kerrville-Rosemark Road; thence west along the south line of Kerrville-Rosemark Road approximately 1,159 feet to a point; thence south along a property line approximately 31 feet to a point in the widened south line of Kerrville-Rosemark Road; thence west along the south line of Kerrville-Rosemark Road approximately 366 feet to a point in the east line of Bethuel Road; thence north across Kerrville-Rosemark Road and along the east line of Bethuel Road approximately 4,436' to a point in the south line of Mudville Road; thence east along the south line of

Mudville Road approximately 4,400 feet to a point in the west line of Center College Road; thence south along the west line of Center College Road approximately 10,500 feet to a point in the north line of Center College Road; thence west along Center College Road approximately 179 feet to a point; thence south across Center College Road and along a property line approximately 1,508 feet to a property corner; thence east along a property line approximately 390 feet to a property corner; thence south along a property line approximately 1,306 feet to a point; thence west along a property line approximately 32 feet to a point; thence south along a property line approximately 1,627 feet to a property corner; thence west along a property line approximately 470 feet to a property corner; thence south along a property line and across Navy Road approximately 255 feet to a point in the south line of Navy Road; thence west along the south line of Navy Road approximately 3,085 feet to a point in the south line of Navy Road; thence north across Navy Road approximately 100 feet to the point of BEGINNING. This area contains approximately 1,251.54 acres.

Area A-4

BEGINNING at the point of intersection of the north line of Pleasant Ridge Road and the east line of Singleton Parkway; thence east along the north line of Pleasant Ridge Road approximately 3,712 feet to a property corner; thence north along a property line approximately 3,700 feet to a property corner in the south line of State Route 385 (SR385); then southeast along the south line of SR385 approximately 4,651 feet to a point; thence north across SR385 approximately 250 feet to a point in the north line of SR385; thence east along the north line of SR385 approximately 1,943 feet to a point; thence south across SR385 and along a property line approximately 3,308 feet to a point in the north line of Pleasant Ridge Road; thence west along the north line of Pleasant Ridge Road approximately 5,194 feet to a point; thence south across Pleasant Ridge Road and along a property line approximately 2,732 feet to a property corner; thence east along a property line approximately 83 feet to a property corner; thence south along a property line approximately 462 feet to a property corner; thence east along a property line approximately 360 feet to a property corner; thence south along property lines approximately 2,109 feet to a point in the north line of Bolton Bottom Road; thence west along the north line of Bolton Bottom Road approximately 689 feet to a point; thence south across Bolton Bottom Road and along a property line approximately 373 feet to a property corner; thence east along a property line approximately 307 feet to a property corner; thence north along a property line approximately 317 feet to a point in the south line of Bolton Bottom Road; thence east along the south line of Bolton Bottom Road approximately 358 feet to the west line of Bolton Bottom Road; thence south along the west line of Bolton Bottom Road approximately 1,153 feet to a property corner; thence west along a property line approximately 76 feet to a property corner; thence south along property lines approximately 4,366 feet to a property corner in the centerline of the Loosahatchie River; thence west along property lines and the centerline of the Loosahatchie River approximately 6,114 feet to a point in the east line of Singleton Parkway; thence north along the east line of Singleton Parkway approximately 6,052 feet to a point; thence across Singleton Parkway and along property lines approximately 11,242 feet to a point in the east line of Raleigh Millington Road; thence north along the east line of Raleigh Millington Road approximately 3,125 feet to a property corner; thence southeast along a property line approximately 1,252 feet to a property corner; thence northwest along a property line approximately 220 feet to a property corner; thence north along a property line approximately 275 feet to a property corner; thence northeast along a property line and across Pleasant Ridge Road approximately 305 feet to a point in the north line of Pleasant Ridge Road; thence generally east along the north line of Pleasant Ridge Road and across Singleton Parkway approximately 9,730 feet to the point of Beginning. This area contains approximately 2,739.22 acres.

Note: Dimensions are approximate and are based on measurements from the Shelby County Geographic Information property line base map.
