 - Happy 80th Birthday to Mr. Ed Haley.
 - Thank you to Wesley Towers for having the Department to teach fire safety.
 - The Department joined the Millington Library to teach about fire safety.
 - Upon request the department is willing to give tours and provide fire prevention materials to individuals within the city limits of Millington.
- Please contact our administrative office to schedule an appointment.

PREPARE FOR SEVERE WEATHER

- Lightning can cause power surges, so unplug all appliances before the storm hits. Unplug cable and/or satellite cables as they can conduct electricity.
- Stay away from faucets, sinks and bathtubs as metal pipes can conduct electricity.
- Keep your pets on a leash or in a carrier.

DATES TO REMEMBER:

Changes clocks back on 3/11
CISM Class in March. Date to be determined.
Not your Bread and Butter Class
3/6-3/8

- If you're away from home when a severe storm hits, protect yourself and your family by staying put, if you are in an adequate shelter. Don't try to "beat the storm home" if you are safe
- If you are in or near the water, go to land immediately and seek shelter.
