May 2018 Issue

*"YOUR SOURCE FOR INFORMATION "*

## OUR MISSION

The mission of the Millington Fire Department is the protection of life and property from the adverse effects of fires, medical emergencies or exposure to dangerous conditions through fire suppression, rescue, disaster preparedness, fire prevention and community education.

The members of this department, working together, will provide a professional and caring environment that is fair, honest, and ethical and that treats all individuals with respect and dignity.

## DEPARTMENT UPDATES

Please be with Joel Adams in the loss of his father.

Please be with Ted Dent in the loss of his mother-in-law.

The Department enjoyed all of the community outings this

Month and look forward to future events.

We are at the end of the year. P.O's will only be issued on an as need basis.

### PREPARE FOR SEVERE WEATHER

- Lightning can cause power surges, so unplug all appliances before the storm hits. Unplug cable and/or satellite cables as they can conduct electricity.
- Stay away from faucets, sinks and bathtubs as metal pipes can conduct electricity.
- Keep your pets on a leash or in a carrier.

#### DATES TO REMEMBER:

Module 7  
6/4-6/6

- If you're away from home when a severe storm hits, protect yourself and your family by staying put, if you are in an adequate shelter. Don't try to "beat the storm home" if you are safe
- If you are in or near the water, go to land immediately and seek shelter.
