COMMUNITY INVOLVEMENT

Thank you to each and everyone for the Christmas goodies delivered to the Department.

- The Department installed 2 smoke detectors this month.
- Upon request the department is willing to give tours and provide fire prevention materials to individuals within the city limits of Millington. Please contact our administrative office to schedule an appointment.

PREPARE FOR SEVERE WEATHER

- Lightning can cause power surges, so unplug all appliances before the storm hits. Unplug cable and/or satellite cables as they can conduct electricity.
- Stay away from faucets, sinks and bathtubs as metal pipes can conduct electricity.
- Keep your pets on a leash or in a carrier.

DATES TO REMEMBER:

The Administration Office will be Closed on January 1st in observance of New Years.

- If you're away from home when a severe storm hits, protect yourself and your family by staying put, if you are in an adequate shelter. Don't try to "beat the storm home" if you are safe
- If you are in or near the water, go to land immediately and seek shelter.
