

# The Hydrant

JANUARY 2021 ISSUE

"YOUR SOURCE FOR INFORMATION"

## OUR MISSION

*The mission of the Millington Fire Department is the protection of life and property from the adverse effects of fires, medical emergencies or exposure to dangerous conditions through fire suppression, rescue, disaster preparedness, fire prevention and community education.*

*The members of this department, working together, will provide a professional and caring environment that is fair, honest, and ethical and that treats all individuals with respect and dignity.*

## DEPARTMENT UPDATES

The Department participated in COVID 19 shots for first responders.

Fire Marshal Dent has participated in several planning meetings on future development.

2020 Inservice paper work for state pay has been submitted.

# Wear Masks, Show You Care!

With communities beginning to reopen their economies, the federal government is recommending people consistently wear cloth face masks in public places and in businesses where social distancing is difficult to maintain. The use of masks can reduce transmission of the virus by people who have it but aren't experiencing symptoms.

### PUTTING IT ON

With clean hands, fit the mask to cover your mouth, nose and chin.

Secure it tightly to minimize gaps between your face and the mask.

Once it's on, do not touch or adjust it. Wash your hands.

### WHILE WEARING IT

Don't pull your mask down.

If you touch it, wash your hands and put on a clean one. Don't continue to use your mask if it gets damp. Replace it.

### REMOVAL

Handling only the straps, untie or unloop your mask from behind and pull it away from your face.

Do not touch the front of the mask, your eyes, nose or mouth.

Immediately throw the mask in the laundry, or the trash if it's intended for single use. Wash your hands.
