

The Hydrant

NOVEMBER 2023 ISSUE

"YOUR SOURCE FOR INFORMATION"

OUR MISSION

The mission of the Millington Fire Department is the protection of life and property from the adverse effects of fires, medical emergencies or exposure to dangerous conditions through fire suppression, rescue, disaster preparedness, fire prevention and community education.

The members of this department, working together, will provide a professional and caring environment that is fair, honest, and ethical and that treats all individuals with respect and dignity.

DEPARTMENT UPDATES

PREVENTION:

It's the gift that keeps on giving

According to the U.S. Fire Administration, approximately **47,000 fires** occur during the **winter holiday season**. Keep your home and loved ones safe by preventing the most common causes of **holiday fires** with these tips from ESFI:

CO AND SMOKE ALARMS SAVE LIVES.

Install CO and smoke alarms on every level of your home and outside each sleeping area.

Be sure to test the alarms once a month, and change the batteries yearly.

Happy Holidays
from ESFI

PREVENTION IS...

keeping decorations, or any other flammable items at least **3 ft** away from open flame and heat sources.

PREVENTION IS...

ensuring multiple **extension cords** are **never strung together** or run under rugs, carpets or furniture. And making sure those used **outdoors** are labeled "for outdoor use."

PREVENTION IS...

never leaving a **space heater** unattended and **turning it off** when you're leaving a room or going to sleep, and not letting **pets or children** play too close to a space heater.

PREVENTION IS...

inspecting all decorations to ensure they do not have any **frayed or pinched wires** and discarding any **worn decorations**.

PREVENTION IS...

never leaving cooking equipment unattended and **turning off burners** if you have to leave the room.

PREVENTION IS...

watering Christmas Trees daily and **discarding trees** when they are dry and begin **dropping needles**.
