

GAME ON

Sports & Recreation Offerings
Spring 2025 Season

Welcome to the first edition of **Game On Millington!** The City of Millington and our partners at Millington Municipal Schools, the YMCA, non-profits, and churches have affordable opportunities for residents of all ages throughout the year. Here's the challenge - not all of us know about them. That's why we're thrilled to introduce this new publication as a one-stop resource for everything happening in Millington's recreational scene. From youth sports leagues to recreational activities for adults and seniors, the City and our community partners have it covered.

We recently added four new soccer goals to Aycock Park and new playground equipment at every park. That means the City has updated playground equipment at all four of our playgrounds (Discovery, Lions, Oak, and Aycock) in less than four years.

Bravo to our Parks and Recreation team for getting it done, and our Board of Mayor and Aldermen for their vision and leadership. We're not done yet, soon, we'll join our partners at the County to cut the ribbon on the Big Creek Nature Area, a brand new 1,200-acre park with a new playground, miles of trails, an amphitheater, and four new multipurpose trails. Millington is on the move!

Our community is built on diversity, and we want everyone to be part of the action. Whether you're stepping onto a field, joining a program, or cheering from the sidelines, there's a place for everyone to play, grow, and thrive. We hope you'll join us in building a healthier, more active Millington.

In partnership,

Frankie Dakin - Millington City Manager
