## GAME ON MILLINGTON

Sports & Recreation Offerings  
Summer 2025

As we step into summer, I want to thank you for the incredible response to our first **Game On Millington** newsletter. Millington families, friends, and partners shared such encouraging feedback. Tee ball and baseball registrations were the highest we've seen in years, and many of you told us how helpful it's been to have everything in one place.

It's clear this effort to keep our community informed is making a real impact. That's why we're expanding the scope of this newsletter.

While recreation is still at the heart of what we do, this edition reflects something bigger—our growing commitment to ensuring Millington families stay connected to all corners of community life. From crafts at the library and summer swim with the Y to Parks & Rec fun and new family events, we want this to be your one-stop guide for staying active and involved.

**BIG NEWS!** Starting this June, join us every Thursday from 4-7 p.m. at Discovery Nature Park for the **Millington Farmers Market**, hosted by Lightfoot Farmstead in partnership with the City of Millington. Shop local produce, homemade goods, and enjoy a rotating food truck—all while supporting local farms and small businesses!

**Here are a few more spotlight events that truly capture the spirit of Millington:**

- **Community Cleanup** (May 17, 8:30 a.m. start @ Discovery Nature Park) – A partnership between *City Beautiful*, *The City of Millington*, and *Indmar Marine Engines* to help keep our community clean and cared for.
- **Free Mulch Giveaway** (Saturdays through May 31 @ the Recycling Center) – A sustainability effort led by the *Millington City Beautiful Commission*.
- **Craft & Vendor Show** (June 21, 9 a.m. - 2 p.m. @ Baker Community Center) – A great chance to support local makers and enjoy summer shopping. More details forthcoming if you sign up for updates on the website or follow us on Facebook.
- **Flag City Freedom Celebration** (July 2 @ Millington-Memphis Airport) – Celebrate Independence Day with one of the region's best fireworks shows—right here in Millington. Gates open at 6 p.m.; fireworks near 9 p.m.
- **Millington Scoop Back to School Expo** (July 26, 10 a.m.-2 p.m. @ Ed Haley Sports Complex Gym) – A free family event with giveaways, local resources, and—yes—free ice cream!

*We'll be back in August with our fall edition. Until then, we hope your family enjoys all that Millington has to offer this summer!*

*With Gratitude,  
Frankie Dakin - City Manager*
